

# *Empowering your Spiritual Journey*

## The Empowerment Program

Here  Now  this Moment

*“Life sucks ...I see no gift here.”*

*You are about to  
discover The Hidden Gift*

***Whenever anything negative happens to you,  
there is a deep lesson concealed within it,  
although you may not see it at the time.***

***This is the miracle: behind every condition,  
person or situation that appears “bad” or “evil”  
lies conceals a deeper good That good reveals itself to you—  
both within and without—through the inner acceptance of what is.***

~ Eckhart Tolle

***Every defect contains a hidden treasure,  
And all supposed defects are doorways.***

~ David R. Hawkins, M.D., PhD.  
*I: Reality and Subjectivity*

***Always remember, there are no mistakes.  
Everything that happens, happens for reasons that affect  
all life everywhere and with pure precision.***

~ Drunvelo Melchizedek  
*The Serpent of Light: beyond 2012*

***Always remember deep in your heart that all is well and  
everything is unfolding as it should. There are no mistakes  
anywhere at any time. What appears to be wrong is simply  
your own false imagination.***

~ Robert Adams, *Silence of the Heart*

***Problems can be seen as opportunities  
to grow, and to be creative.***

- *Many times we think of something as negative — it's stressful, harmful, sad, unfortunate, or difficult. But that same thing can be looked at in a more positive way.*
- *Giving thanks for those things is a great way to remind yourself that there is good in just about everything. Problems can be seen as opportunities to grow, and to be creative.*

~ *Zenhabits.net*

***The world's a puzzle; no need to make sense of it...***  
*Life is the only real teacher. It offers many experiences...*  
*But the lessons of experience are hidden.*

~ Dan Millman

***Love my uncertainty, for it is not a mistake!***  
*Remember nothing happens without my will.*  
*Be still! Do not ask to understand,*  
*relinquish understanding.*

~ Sathya Sai Baba

***Each and every one of us is***  
***always right where we need to be,***  
*and having the perfect experience which*  
*matches our current individual vibration.*

~ Karen Bishop, What's up Planet Earth

***...Things happen as they should.***  
*Random events are guided by a higher wisdom.*  
*Nothing happens without a reason.*

~Deepak Chopra, MD

***The basic principle of spiritual life is that***  
***our problems become the very place***  
***to discover wisdom and love.***

~Jack Kornfield, A Path With Heart

*I have learned silence from the talkative,  
tolerance from the intolerant  
and kindness from the unkind.  
**I should not be ungrateful to those teachers.***

~ Kahlil Gibran

*Appearance is not essence,  
Perception is not reality,  
and the cover is not the book*

~ David R. Hawkins, M.D, PhD,  
Truth vs. Falsehood

*No problem can be solved from the same level  
of consciousness that created it.*

~ Einstein
